To: All Yadkin County Volunteer Fire and Rescue Departments.  
Subject: Assessment

This notice is informing you of a needed Benevolent Brotherhood Assessment. This is required in order to keep our fund above the \$4,000.00 minimum balance set forth in the Benevolent Brotherhood By-Laws.

The dollar amount that each department will owe is calculated at a rate of \$10.00 per member.

**$\$10.00 \times \# \text{ members} = \underline{\$AMOUNT DUE}$**

Please send an updated membership list with your department's payment.

Also, notate if member is in another Yadkin County department and who is paying for said member. (IE. Member of FD & Squad, or 2 FDs)

Sincerely,

*Dale Potts*
